St Andrew	Norah Herbert	Ariadne Howell
St George	Charlotte Hamblin	Freya Butchart
Library	Camillo DeLuca	
Music	Esmee Grimshaw	

Year 1 Geography

Our New Year 2 House Captains and Monitors

Welcome back

Welcome back everyone. We hope you had a lovely break and it is wonderful to see the children all refreshed and happy to be back in school. They are already busy at work. Year 1 have been really enjoying their new Geography topic 'Our big, big world'. Not only have they been busy learning about different countries, but are also preparing for their parents to come in for 'Volcano day' on Thursday 7th February when they will conduct a science experiment to make their volcanoes erupt .

Reception are already working hard at their numbers, phonics and reading and this week their big writing topic is on The Rainforest.

They did a brilliant job

with Miss Thomas at making their very own Rainforest and were then inspired by it to do some fantastic writing about Sloths—well done Reception!

Eve Martin—Challenging herself at Maths

Costume Jewellery

As you can see, we all love dressing up in Early Birds and Stay & Play. If any parent has any costume jewellery or trinkets that they no longer want, we would love to add them to our dressing up box. We are now very low on jewellery.

Car Engine Fumes

A plea from David, that please could you not leave engines running in the car park. The fumes are terrible for the children, not forgetting our poor parking attendant!

Coats, Hats and Gloves

Please remember in this cold weather to ensure that all of the children have coats, hats and gloves in school.
